Welcome to FIU!

We're excited to have you here. Please hang this on your rearview mirror and follow these quick steps for a smooth move-in.

[THIS SIDE FACING YOU]

Step 1: Complete your mobile pre-check at [my.fiu.edu → Student Tools → Student Housing → Early Fall Check-in] and update your Hurricane/Emergency Contact info.

Step 2: Enter campus at 107th Ave & 16th St. and follow signs to the Housing Move-In Rapid Unload Zone

Step 3: Once you reach the front of the line, our team will check your pre-check. You'll unload in the rapid unload zone with up to two carts—volunteers will be there to help.

Step 4: After unloading, move your car to Lot 7 or Lot 5 immediately to avoid towing. You can return on foot to assist your student.

Step 5: Show your check-in confirmation at the front desk to get your key and welcome packet. Your FIU OneCard will be activated.

Step 6: Take your belongings to your room and return the cart within 20 minutes so others can use it.

**Say hi to your RA, DA,
and REC. They're here to
help you feel at home!**
