## Welcome to FIU!

We're excited to have you here. Please hang this on your rearview mirror and follow these quick steps for a smooth move-in.

### [THIS SIDE FACING YOU]

**Step 1:** Complete your mobile pre-check at [[my.fiu.edu](http://my.fiu.edu) → Student Tools → Student Housing → Fall Check-in] and update your Hurricane/Emergency Contact info.

**Step 2:** See the map on the Welcome Guide for best entrance to use based on your hall and then follow to the Housing Move-In Rapid Unload Zone

**Step 3:** Once you reach the front of the line, our team will check your pre-check. You'll unload in the rapid unload zone with up to two carts—volunteers will be there to help.

**Step 4:** After unloading, move your car to Lot 7 or Lot 5 immediately to avoid towing. You can return on foot to assist your student.

**Step 5:** Show your check-in confirmation at the front desk to get your key and welcome packet. Your FIU OneCard will be activated.

**Step 6:** Take your belongings to your room and return the cart within 20 minutes so others can use it.

**Say hi to your RA, DA,  
and REC. They're here to  
help you feel at home!**
