Experience**

Welcome to FIU!

We're excited to have you here. Please hang this on your rearview mirror and follow these quick steps for a smooth move-in.

[THIS SIDE FACING YOU]

Step 1: Complete your precheck-in at [my.fiu.edu → Student Tools → Student Housing → Early Fall Check-in] and update your Hurricane/Emergency Contact info.

Step 2: Enter campus through the 117th Ave. entrance or the 8th St entrance and follow signs to the Check-in lot 7.

Step 3: Once you reach the front of the line, our team will check your pre-check and direct you to your hall's rapid unload zone to unload with up to two carts—volunteers will be there to help.

Step 4: After unloading, move your car to the designated lot immediately to avoid towing, parking details will be shared at check-in. You can return on foot to assist your student.

Step 5: Show your check-in confirmation at the front desk to get your key and welcome packet. Your FIU OneCard will be activated.

Step 6: Take your belongings to your room and return the cart within 20 minutes so others can use it.

Say hi to your RA, DA, and REC. They're here to help you feel at home!
