Housing & Residential Experience

# Welcome home, Panthers!

We're thrilled to have you here. Download and print your pass before arrival and place it on your car dashboard.

**Each vehicle must have a rapid unload pass.**

## [THIS SIDE FACING DOWN]

**Complete Pre-Check In before arriving:**

1. Log in to my.fiu.edu
2. Go to Student Tools > Student Housing
3. Select the Pre-Check In button

Be sure to bring your FIU One Card and show your confirmation screen at the front desk to receive your room key.

**Step 1:** Head directly to your assigned residence hall during your designated move-in time, which you can find in your Housing Portal.

**Step 2:** When you arrive at your designated Rapid Unload Zone, you are allowed two moving carts at a time. After unloading, someone must move the car to Lot 7 and then walk back to help with unpacking.

**Step 3:** Allow up to 10 minutes for your One Card building access to activate after check-in.

**Step 4:** Pick up your key at the front desk by showing your online check-in confirmation. Take your move-in carts and belongings to your room and unload quickly.

Note that you only have 20 minutes with the move-in cart, as we have a limited number and need to make it available for the next resident.
