Experience**

Welcome to FIU!

We're excited to have you here. Please fill the information on the other side and place this on your dashboard.

Step 1: Complete your mobile pre-check at [my.fiu.edu → Student Tools → Student Housing → Spring Check-in] and update your Hurricane/Emergency Contact info.

Step 2: Check the Welcome Guide map to find the best entrance for your hall, then follow the marked route.

Step 3: Pull into an open unloading spot and place your items into the moving carts.

Step 4: Once you're done unloading, move your car right away to Lot 7 or Lot 5.

- If the student's car has a valid parking permit, you may park it in any designated student spot in a nearby garage or lot.
- Parents/families: After parking, return on foot to help your student.

Step 5: Go to the front desk, show your check-in confirmation, and pick up your key and welcome packet. Your FIU OneCard will be activated.

Step 6: Bring your belongings to your room and return the moving cart within 20 minutes so others can use it.

**Say hi to your RA, DA,
and REC. They're here to
help you feel at home!**
